Hi Nicole,

This came in this morning. Incidentally, Terry and I had already requested that this item be moved to a hearing, so I don't think the timing is a big deal, but maybe it should be included in correspondence?

Brandi,

On SATURDAY I received a card about the about file number advising that I needed to request a public hearing a week ahead of time. Obviously that is impossible as I didn't receive the card until Sat (6 days before the hearing).

I AM requesting a public hearing on this matter.

Please advise how this is going to be handled as I did not receive the card in time for a timely request.

PS. I also left you an VM with this same information at 9:10AM this morning.
